1. All a-round our na-tion's crumb ling; Righteous-ness is scoffed and scorned_
2. Ev-ery day our sin in-creas-es; Lust and cru-el-ty a-bound_
3. God has giv-en us a pro-mise-Light of hope, des-pite our sin_

Wi-cked men de-light in sin-ning, E-vil is with pride a-dorned.
E-vil grows and nev-er cea-ses, In-no-cence can-not be found.
Mer-ci-fully, He'll rain u-pon us Strength and hope to live a-gain.

Bm GM7 Em Bm D A

Vile stench of deep de-file-ment, Ris-en to the throne of God
Is it true that light is dark-ness? Is it true that hope is gone?
If the peo-ple of the Sav-ior Chooseto pray and seek His face,

Em Bm A Bm G A

Brings us near a migh-ty judge-ment From Je-ho-vah's hol-y rod!
Is our si-tu-a-tion hope-less? Is it vain to car-ry on?
Though we don't de-serve His fa-vor, Lov-ing-ly, He'll pour out grace!
