1. To this world full of night God has sent a blazing light,
2. We were lost in the law fear-ing judge-ment God would give,

4. Now with Christ in our hearts and the grace His Word im-parts,

And through dark-ness it shines to the depths of hu-man minds.
Till the Word came to us in our hearts His law to live.
Ev-'ry blot has been bought by God's cho-sen sac-ri-fice.
Quenching death from with-in, teach-ing life from death to sin;

It's the light of God's Word— E-ter-nal-ly se-cured.
Now be-fore God we stand in the right-eous-ness He planned.
God sent life to a world that was dead in cho-sen sin.
With great hope in our God, grow-ing us through ev-ery strife,

All our long-ings are past As we find the Truth at last!
Not our deeds, but His love grants us au-di-ence a-bove!
Through the Truth of His Word Je-sus saves and en-ters in.
We look up to the Word— glor-ious Way, and Truth, and Life!
