1. Where is the God Who speaks in right-eous-ness? Where is the God might-y to save?  
 2. Where is the God of lov-ing kind-ness? Where is the God good to His own?  
 3. Where is the God of ten-der pi-ty? Where is the God near in our pain?

Where is the God Who crush-es e-vil, Stands a-lone to right all wrong?  
 Where is the God Who called His peo-ple, Came to be our Sav-ior?  
 Where is the God Who hears our an-guish, Bears it with His peo-ple?

Tear through the skies, melt all the moun-tains. Make known Your Name, na-tions will trem-ble!

Look down from heav-en Lord, have mer-cy. We are Your peo-ple, Re-deem us!
